

SUPERVISOR FORM

Please use this form to register or deregister a supervisor for user management within myKOMBIVERKEHR at www.kombiverkehr.com. It is a basic requirement for use of the online booking system that the supervisor is authorised. Once the supervisor has been created on Kombiverkehr's IT system, the supervisor is given access to the user management function and can then allocate rights and permissions for other staff of the relevant company location

A supervisor can only be registered or deregistered with the signature of the management or an authorised representative. Please note that the supervisor must be assigned to the company location with the relevant UIRR customer number at which he works. To create additional supervisors, please use a new form.

PLEASE COMPLETE ALL FIELDS LEGIBLY AND IN FULL:

Name of forwarder (head office or branch): _ _____
